Street Jesus News:

And if somebody asks about your Christian hope always be ready to explain it, but do this in a gentle and respectful way.

1 Peter 3:15-16

Welcome to the October edition of our e-news. On Monday 5th September we had our first ever A.G.M as up until now we have been going out exploring and finding out about the work God has asked us to embark on but now we are getting better known we felt it important to put our organisation on a more formal footing particularly as we now need to raise funding for our day to day expenditure and we are prayerfully asking that God will provide for us. We also need some accountability structures in place particularly as taking faith out onto the street has become increasingly contentious in some parts of the country. (though rare locally) Nick Farrow was elected as our secretary and Hilary Russell as treasurer and i myself was voted Chairman. A team leaders report was presented which set out what has been achieved so far plus a set of aims and objectives agreed for the next twelve months. As well as looking forward with anticipation it was also good to reflect on the progress we have made so far. We also ratified our mission statement. If anybody would like a copy of the yearly report or a copy of the mission statement please let us know and we will forward one to you.

We are happy to confirm the venue for our Friday night **praise party**. An evening of contemporary worship will be held at The Angel pub in Woodbridge on Friday October 28th at 7.30pm and is all part of our mission to worship in public places as well as Churches. There will be a Disco and a few nibbles. This event is aimed at the young and young at heart who wish to have a fun evening and proclaim the Lord all at once. It is likely that our November mission will be in Saxmundham and we are just finalising the details. We have also made applications to attend both the Woodbridge and Wickham Market Christmas markets on Sunday 4th and Wednesday 7th December respectively which will give us a great opportunity to convey the meaning of the Christmas story. As we like to say "Christ is for life not just for Christmas" Its always good to hear of celebrities who are bold enough to declare their faith openly and talk about it in the media. Cliff Richard is one of the most well known over the years and of course they always come under that extra bit of scrutiny from the media and are often the subject of cynicism or ridicule One of the most dramatic conversions in recent times is that of Justin Beiber whose life not so long ago was spiralling out of control. Despite openly declaring his faith Justin remains hugely popular and routinely conducts prayers whilst on stage Our prayer should be with young performers like Justin who work in an industry where temptation is immense and we need to be with him all the way on their journey to show the light to others. On Premier news this week the rock star Bono shares ten anecdotes/quotes inspired by his Christian faith one of which we include in this months "quote to note"

Our **next meeting** which will take place on **Monday October 10th At 7 Featherbroom Gardens Wickham Market** You would be most welcome to join us

Book of the month

An amazing story of incredible courage. Set in the post war years of communism and the persecution of the Christian faith behind the iron curtain. A young Dutchman smuggles bibles across dangerous borders at great risk to himself and others. Firstly just a few hundred then thousands of bibles were given to people who would otherwise have had no access to them. The book is now in its 60th anniversary edition and is rightly considered a Christian classic.

SUPPORTING CHILD MUMS AND THEIR BABIES AT THE BEEHIVE KENYA

Bible reading

So Barnabus and Paul were sent out by the Holy Spirit .They went down to the seaport of Selucia and then sailed for the Islands of Cyprus. There in the town of Salamis they went to the Jewish synagogues and preached the word of God. John Mark went with them as their assistant. Afterwards they travelled from town to town across the entire Island until they reached Paphos. Where they met a Jewish sorcerer a false prophet named Bar-Jesus .He had attached himself to the governor Sergius Paulus who was as an intelligent man. The governor invited Barnabus and Saul to visit him for he wanted to hear the word of God. But Elymas the sorcerer interfered and urged the governor to pay no attention to what Barnabus and Saul had said. He was trying to keep the governor from believing Saul (also known as Paul) Paul was filled with the Holy Spirit and he looked he sorcerer in the eye Then he said "you son of the devil ,full of every sort of deceit and fraud and enemy of all that is good! Will you never stop perverting the true way of the lord? Watch now for the lord had laid his hand of punishment against you and you will be struck blind. You will not see the sunlight for some time" Instantly mist and darkness came over the mans eyes and he began groping around begging for someone to take his hand and lead him. When the governor saw what had happened he became a believer , for he was astonished at the teaching about the lord.

Acts 13:4-12

Prayer

YOU

You are the light that guide my feet
You are the map that gives me direction
You are the peace that makes me strong
You are the leader whom I follow
May your light illuminate my life
and your guidance bring direction
May I find inspiration in your word
And peace in my heart as I follow.

Amen

Quote to note

Its very important for Chritians to be honest with God
God is much more interested in who you are than who
YOU want to be.
Bono
